

## **CURRICULUM VITAE**

### **Oleg Grigoriev**

Head of Laboratory "Radiobiology and Hygiene for Non-Ionizing Radiation",  
Federal Medical Biophysical Centre of Federal Medical-Biological Agency of  
Russia

### **Academic Qualifications**

Moscow Power Engineering Institute (Technical University) 1992, Physicist.  
State Research Center of Russia – Institute of Biophysics, 2003, Ph.D. Biology  
(Radiobiology and Hygiene)

### **Professional Society Membership**

Russian National Committee on Non-Ionizing Radiation Protection, 1998, Vice-  
Chairman

### **International Activities**

Member of International Advisory Committee (IAC) of the WHO International  
Electromagnetic Fields Project

### **Publications**

Over 80 scientific publications, reports and conference proceedings in various  
areas of EMF safety, EMF management, research of hygiene for non-ionizing  
radiation and EM-radiation protection, EMF ecology standards etc.

### **Activity**

Co-organiser of few national (and international – in Moscow) EMF conferences  
and seminars. More than 100 popular scientific articles in magazines and  
newspapers, more than 30 telecasts and broadcasts on EMF safety topics
