5G & Wireless RF/EMF Radiation - the Council's Public Liability Insurance Coverage and Indemnity for this WHO's 2B "Possible Human Carcinogen"

Dear

As you are aware, SWISS RE GROUP - one of the world's largest insurance providers- recently rated 5G as a "High Impact" risk affecting property and casualty claims- May 2019. Underwriters such as LLOYDS OF LONDON do not insure for such harm and damage - February 2015.

Under the Freedom of Information Act 2000 and the Environmental Information Regulations 2004, you are required to provide the following:

1. Please answer 'YES' or 'NO' only: Does the COUNCIL hold any commercial Public Liability Insurance policies that include liability coverage for claims directly or indirectly arising out of, resulting from or contributed to by electromagnetic fields, electromagnetic radiation, electromagnetism, wireless RF radiation, microwave radiation, and/or non-ionising radiation including, but not limited to 5G?
2. If the answer is 'YES', please provide all commercial Public Liability Insurance policy/policies and include policy numbers, that confirm the COUNCIL holds commercial Public Liability Insurance policy/policies that include liability coverage for claims directly or indirectly arising out of, resulting from or contributed to by electromagnetic fields, electromagnetic radiation, electromagnetism, wireless RF radiation, microwave radiation, and non-ionising radiation including, but not limited to 5G.
3. Please provide all "Pollution Liability" or "Policy Enhancement" in relation to commercial Public Liability Insurance policies held by the COUNCIL.
4. Please answer 'YES' or 'NO' only: Does the COUNCIL hold any certificates, documents of any kind which provide proof of Indemnity from the commercial Public Liability insurance provider and underwriters, confirming that any injuries, damages or adverse health effects directly or indirectly arising out of, resulting from or contributed to by electromagnetic fields, electromagnetic radiation, electromagnetism, wireless RF radiation, microwave radiation, and/or non-ionising radiation, including but not limited to 5G emitting devices and equipment is covered by the COUNCIL's commercial Public Liability Insurance policy.
5. If the answer is 'YES': please provide the commercial Public Liability Insurance policy/policies and include policy numbers, that confirm the COUNCIL holds certificates, documents which provide proof of Indemnity from the COUNCIL's commercial Public Liability insurance provider and underwriters, confirming that any injuries, damages or adverse health effects directly or indirectly arising out of, resulting from or contributed to by electromagnetic fields, electromagnetic radiation, electromagnetism, wireless RF radiation, microwave radiation, and/or non-ionising radiation, including but not limited to 5G emitting devices and equipment is covered by the COUNCIL's commercial Public Liability insurance policy.

Please number your responses 1-5. I require that each item to have its own individual response.

The COUNCIL exist for one purpose only - to give services to the public and has no other purpose. This is not a gift or altruistic service - it is a public service is paid for by the people through public money.

I have the reasonable expectation that you,

acting as a public servant in the public office of Chief Executive Officer of the COUNCIL will honour and adhere to your position of Trust, Code of Conduct for Local Government Employees, The 7 Principles of Public Life, your Duty of Care, the laws and statutory legislation, regulations and protocols that govern public servants.

This will be used as evidence. The information requested is of public interest.

Failure to supply proof of Indemnity for 5G wireless RF/EMF radiation, proves that Indemnity for 5G wireless RF/EMF radiation through the COUNCIL's commercial Public Liability Insurance does not exist.

Sincerely and without ill will, vexation or frivolity,
